Intro

What was that?

Verse 1

It wasn't much,  
It was just a touch,  
It was a bird,  
With the word.

I was cool as you last night,  
Before, the fight.

Chorus

We can dream,  
About theme,  
About love song,  
This isn't wrong. x2

1+2=3,  
I don't what to do with me. x2

Verse 2

That night,  
When was a fight,  
We were close together,  
And one, bite, can break us apart forever.

Verse 3

When we see,  
Who we use to be,  
Before the fight,  
Last night.

Verse 4

We open our souls,  
And we hit the goals,  
In our life...

Chorus

We can dream,  
About theme,  
About love song,

This isn't wrong. x2

1+2=3,

I don't what to do with me. x2
