Bought a beat up six string in a secondhand store  
Didn't know how to play it but I knew for sure  
That one guitar felt good in my hands.  
Didn't take long to understand.

Just one guitar slung way down low  
Was a one-way ticket only one way to go.  
So I started rockin' ain't never gonna stop  
Gotta keep on rockin'  
Someday I'm gonna make it to the top and sing

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come an' take your time an' dance with me

In a town without a name in a heavy downpour  
Thought I passed my own shadow by the backstage  
door.  
Like a trip through the past to that day in the rain  
And that one guitar made my whole life change.

An' we'll be movin' on an' singin' that same old song  
Yeah with me, singin'

(I'm a Juke Box Hero)  
So put another dime in the jukebox, baby  
(I'm a Juke Box Hero)  
So come an' take your time an' dance with me  
(Juke Box Hero)  
(Got stars in my eyes)  
(I'm just a Juke Box Hero)

(Juke Box Hero)  
I love rock n' roll  
(Juke Box Hero)  
So come an' take your time an' dance with me  
(Juke Box Hero)  
I love rock n' roll  
(Juke Box Hero)  
So come an' take your time an' dance with me

(Stars in my eyes)  
I love rock n' roll
