Angel by the day, devil by the night.
Poison all the way, heaven by my side.
Nothing can compare to the way you make me feel.
Blinded by your stare.
Tell me this is real...

Wherever you're going, you know that I'll be there.
However you need me, just say when or where.

CHORUS
Siempre tu
When I'm dreaming.
Only you...
Keep me beating.
Salvame
With your angel eyes.
I can't get you out of my mind...
Siempre tu

Save another dance, shoot me to the stars.
Take me by the hand, and show me who you are.
Burning with your moves, floating with your hips.
You know I can't refuse the rhythm of your lips...

Wherever you're going, you know that I'll be there.
However you need me, just say when or where...

CHORUS
Siempre tu
When I'm dreaming.
Only you...
Keep me beating.
Salvame
With your angel eyes.
I can't get you out of my mind...
Siempre tu

Wherever you're going, you know that I'll be there.
However you need me, just say when or where...

CHORUS
Siempre tu

When I'm dreaming.
Only you...
Keep me beating.
Salvame
With your angel eyes.
I can't get you out of my mind...
Siempre tu

CHORUS
Siempre tu
When I'm dreaming.
Only you...
Keep me beating.
Salvame
With your angel eyes.
I can't get you out of my mind...
Siempre tu
