So long, I've been looking too hard, I've been waiting
too long
Sometimes I don't know what I will find,
I only know it's a matter of time When you love
someone,
when you love someone

It feels so right, so warm and true, I need to know if you
feel it too
Maybe I'm wrong, won't you tell me if I'm coming on too
strong
This heart of mine has been hurt before, this time I
wanna be sure

I've been waiting for a girl like you to come into my life
I've been waiting for a girl like you, a love that will
survive
I've been waiting for someone new to make me feel
alive
Yeah, waiting for a girl like you to come into my life
Won't you come into my life?

There's nowhere on earth that I'd rather be than
holding you tenderly

I've been waiting for a girl like you to come into my life
I've been waiting for a girl like you, a love that will
survive
I've been waiting for someone new to make me feel
alive
Yeah, waiting for a girl like you to come into my life
