Walking for steep paths
Regardless of the obscene mutation
Inebriated by sickness
Repulsion and horror
Torments of the intellect
Paralysis of the mind's states
Catharsis of the unconscious
Repulsion and horror
Risen from reality
Getting out from the tunnel
Of bestiality
Repulsion and horror
Nightmares in my mind
Bodies massacred
Necrophiliac embraces
The pleasure of death
Death
Death
I proceed to the unknown
With open arms
Blazes don't graze me
Repulsion and horror
In league with
You my master
Screams don't stop
My journey to hell
Hell
Hell
The circle is closed
Also the terrestrial life
Here's the destination
Of my wander
I invoke you
My great spirit

Show me the way
And your brightness
Hand me the burning sword
Forged by your demons
And let me start

My journey

Death

Death

I invoke you

My great spirit

Show me the way

And your brightness

Hell

Per me si va ne l'eterno dolore

Per me si va tra la perduta gente

In the name of evil

In the name of sacrifice

Or discendiam qua giÃ¹ nel cieco mondo

Misericordia e giustizia li sdegna

In the name of evil

In the name of sacrifice

Quivi si piangon li spietati danni

Morte per forza e ferute dogliose

In the name of evil

In the name of sacrifice
