On her back Motionless Drowning in a Bloodbath

Arriving home on that fucking bloody Wednesday night About five minutes past eight o'clock

Bloodstain pattern

On her back Motionless Drowning in a Bloodbath

To discover that his honeymoon had ended In a lurid tragic story of murder

Bloodstain pattern

Shocked moments of discovery Hypnotised by the sign Throttled into unconsciousness And then stabbed

They should be able
To prove scientifically
Who the killer is
From handkerchief bloodstains
Molested and raped
Horror terror and lust
Rejected and refused
Horror terror and lust
Forensic science
Crime detection

An insatiable sex-urge Caused the beastly assault Rejected and refused Horror terror and lust

Forensic science

Crime detection

AB MN PGH21 The killer blood group

Bloodstain pattern

Shocked moments of discovery Hypnotised by the sign Throttled into unconsciousness And then stabbed
