A horror in clay / Bas-relief of my evil  
House of R'lyeh / Inscribed on the pedestal

A mutated horrid creature  
Beyond any mortal's grasp  
Not of this world  
Born before time of man

Your nightmares revolve around me  
Forever controlling you mentally  
All things dark and unholy  
Found in my cyclopean city

Deep in the ocean / You'll find me dreaming  
Dare not awaken / My wrath is unrelenting

Scream as my city rises  
Glowing, unnatural, dripping  
I open the gate to the Abyss  
Into mankind is falling

Your nightmares revolve around me  
Forever controlling you mentally  
All things dark and unholy  
Found in my cyclopean city
