Furious and fanged creature  
Lurking in a gloomy vale  
Swift and agile beast  
On a dark mountain descent

Howling at a gold horned moon  
Blood drank from the sacred paw print

A wicked fucking lycan  
Preying in the timberland  
Violent and forceful spirit  
In a darkened vengeful state

Dashing after her in frenzy  
Gnawing and ripping the clothing

Blood on the leaves and trees  
Cunning, wicked deeds  
Gnawing, ripping, tearing  
Rending the skin and clothing
