Choose the silence  
NEC SUPERI VELLENT  
Choose the silence  
HOC LICUISSE SIBI

Released to kill again  
Released to rape again

Dirty beast implores redemption from your sins  
Sinner animates hide beyond the cross  
I don't want to hear your disgusting words  
Sinner animates hide beyond the cross

Released to kill again  
Released to rape again

Released to kill again  
Released to rape again

"While the American Church is denouncing the scandal

and the Vatican is exposing the apologies,

greedy people abusing of children"

"We have Ministries of Church taking advantage on  
kids,

no chances to declaim against them,

it's a road with no way out"

NE MEA SINT  
Mealy-mouthed hypocrisy  
Everything we know never will be payed  
Mealy-mouthed hypocrisy  
A hidden reality beyond the cross

MALIGNITATI FALSA SPECIES  
LIBERTATIS INEST  
Mealy-mouthed hypocrisy  
Everything we know never will be payed

Released to kill again  
Released to rape again

Released to kill again  
Released to rape again
