Come inside my mind there is something you should see.
Pick up the telephone and hear my distant plea.
If I start dancing, you can join me with your soul.
I want to you feel you near, don't leave me on my own.
Closer, closer. Get closer next to me. (Get a bit closer, babe.)
Closer, closer. Get closer, come closer so I can see
...

Hey, Mr. Shadow, wont you break this down [?] (uh huh)
I'm dirty chasin and take this sound.
That scratch is making me itch and I can't slow down.
Shadow! Switch it up, and rearrange it briefly for us,
please.

Yah! You know what time it is. We 'bout to crank this thang.
It's Fresh! We 'bout to tear this thing down.
uh uh uh [x4]
Bounce bou uh uh uh [x6]
Bounce... Hey, Mr. Shadow, wont you brace this down.
We 'bout to tear this thing down, down, down. Down,
down down. Down, down, down...
Tear, tear this up right!
Switch it up! Switch it up!

We 'bout to tear this thing down!
Slow down... Shadow, switch it up, rearrange it briefly
for us, please
[Turn-table scratching] "It's Fresh, fra, fra, Fresh,
fre, Fresh."
Everything goin' to slow mow.
Fra, fra, Fresh, fre, Fresh, fra, fra, Fresh, fre,
Fresh.
Everything goin' to slow mow.
Fra, fra, Fresh, fre, Fresh.

Never closer, then I've ever felt to you.
Did I ever caught your eye.
Stand a bit closer then you ever stood before.

I'm your moon and you're my sky.

Closer, closer. Get closer next to me. (Get a bit closer, babe)

Closer, closer. Get closer, come closer so I can see.
Can't you see, my head is spinning round and round,
we're underground.

Let's fly away, spend night and day just wasting time.
If you don't mind.

Closer, closer. Get closer next to me (Get a bit closer, babe)

Closer, get closer, come closer so I can see.
