Frankie blue, after all that we've been through
There never will be anyone for me but you
I'll always be there
And will never nag you or drag you down

I had a dream baby it felt so real
Tears were rolling under a black veil
There you were looking so still and fair
You were laid out on the ground

Frankie you don't need that gun
You're gonna go out and hurt someone
Frankie you don't need that gun
Each night I pray somebody doesn't blow my dream
away
Don't take that gun with you tonight

Rolex watches, credit cards and new TVs
I don't need it
All this stuff you're giving me
I was happy with the way it used to be
I know we could survive... a better life

Frankie baby this I swear is true
You know me all I really want is you
But I can't shake it no matter what I do
This feeling you won't make it home alive

Frankie you don't need that gun
You're gonna go out and hurt someone
Frankie you don't need that gun
Each night I pray somebody doesn't blow my dream
away

Frankie baby, sometimes I dream of the day
We'll find the place, soon we can be safe to play
Better life, each night I hope and pray
Somebody doesn't blow my dream away

Frankie you don't need that gun
You're gonna go out and hurt someone
Frankie you don't need that gun

Each night I pray somebody doesn't blow my dream
away

Frankie you don't need that gun
Na na na na Frankie

Oh Frankie
I pray the day we can be safe
In our own place we can live together
