Somewhere in my heart
I know we should never say goodbye
I lie in the dark, so you won't see me cry

I don't know why it is
So hard to speak our minds
How can we see so much and be so blind

I keep writing songs about you,
Even though I tell everyone it's over
Somewhere in my heart
I can't hide the truth

I don't know why I let you go
Even though I try to tell myself it's over
I'm still lost in you
I don't know why we let it go
Baby no, I can't love anyone else I lost the art
Somewhere in my heart

When I think of home
Baby it's wherever you are
I lie alone and wish on a fading star

I keep writing songs about you,
Even though I tell everyone it's over
Somewhere in my heart
I can't hide the truth

I don't know why I let you go
Even though I try to tell myself it's over
There's nothing I can do
I don't know why we let it go
Baby no, I can't love anyone else
You made a mark
Somewhere in my heart

I'm still love with you

I don't know why I let you go
Even though I try to tell myself it's over
I'm still lost in you

I don't know why we let it go
Baby no, I can't love anyone else I lost the art
Somewhere in my heart
