This is my song!  
You said you like me yesterday  
But today  
Suddenly I feel like I want to kill you  
Because I don't even like you  
Oh bitch!  
You fuckin bitch!  
You bitch

Now I have nobody  
I live in my own fuckin world  
Behind the greatest wall and greatest steel gate  
And all I see is just black and white  
Hey you bitch!  
Now you were gone away  
Gone from this world  
But I still have  
To wait for my gift  
Waiting for my gift  
For so long!

Quack quack  
You fuckin bitch  
Quack quack  
You fuckin bitch  
Quack quack  
You fuckin bitch  
Go to hell!
