I see you sitting in the sofa, watching on TV
I touch your hand and I pretend that you belong to me
We take a hard time realize we're drifting way apart
The game that we're playing, will only breake my heart

We've worked so good together in the years that did
go by
But now I know that some day you are gonna make me
cry
The love we had that was so good is slowly on the leave
The love we're pretending, is only make-believe

Faking love, when I gently touch your hand
And the looks you're giving me, tell me I'm not your
man
Faking love, trying so hard to hold on
But we have to realize the love we had is gone

I've tried so hard, I've done my best to keep our love
alive
But now I know that you don't wanna stay here by my
side
I know you suffer just like me from this old game we
play
But if you don't want me, you do not have to stay

Faking love, when I gently touch your hand
And the looks you're giving me, tell me I'm not your
man
Faking love, trying so hard to hold on
But we have to realize the love we had is gone

What have time done to us
Our love was oh, so strong
Now we must part
The love we had is gone

Faking love, when I gently touch your hand
And the looks you're giving me, tell me I'm not your
man
Faking love, trying so hard to hold on

But we have to realize the love we had is gone
But we have to realize the love we had is gone
