When I was young my father bought me a car
but I realized this car won't drive so far
so I sold it nice and quick, and bought me a car at
route 66
It was a Cadillac, oh my cadillac car

When I'm cruisin' around in my brand new car
well I feel like a king, and nothing is too far
so I filled her to the top, and hit the gas and she won't
stop
It's a Cadillac, oh my cadillac car

My cadillac car (cadillac car)
My cadillac car (cadillac car)
My cadillac car (cadillac car)
and we will go far (will go far)

SOLO

My cadillac car (cadillac car)
My cadillac car (cadillac car)
My cadillac car (cadillac car)
and we will go far (will go far)

All of my friends wanna ride with me
they love my car and wanna ride for free
I used to say gimme a buck,
then you can ride with american luck
It's a Cadillac, oh my cadillac car

My cadillac car (cadillac car)
My cadillac car (cadillac car)
My cadillac car (cadillac car)
and we will go far (will go far)

When I'm cruisin' around in my brand new car
well I feel like a king, and nothing is too far
so I filled her to the top, and hit the gas and she won't
stop
It's a Cadillac, oh my cadillac car
It's my Cadillac, oh my cadillac car
