In a desert made of clouds
In a blinding light
I fly along this boulevard
So please don't shoot me down
Up here I wear the crown
Up here I have no fear
I rule these lonely skies
With my head in the clouds
I'm gonna take you for a ride

Chorus
Tonight we fly
Tonight you're mine

Verse
In my Cadillac of hope
I'll have my way with you
I'll take you far from home
And we'll never be alone
Again

Chorus
Tonight we fly
Tonight you're mine
Set fire to the sky
With bulletproof wings we fly

Tonight we fly
Tonight you're mine
Set fire to the sky
With bulletproof wings we fly
