Verse

Hey, Open your eyes and you'll discover
That I am still here lying right beside you
I put in all the hours and bought up the daylight
Paid for the nighttime to return back to you

And no one ever knows just where you are

Well how could you if you're chained to the floor

Prechorus

You wonder is there violence
Still among the violets
You can't run from me
You're under my spell

Verse

Pre Chorus

And no one ever knows just where you are

Chorus

All I hear is silence
Oohhhh
You wonder is there violence
Still among the violets
So far
So far
So far
Away
You think you're hearing sirens
All I hear is...
