### Verse

Late last night in the back of the bar  
Wearing black all black now your breaking hearts  
With your eyes telling lies as I look in disguise  
I got a chance for a dance but I need a sign

### Pre Chorus

You got a reason  
To feel like a super tramp (Super tramp)  
Giving the feeling  
Your walking like you're world wide

### Chorus

You're looking too pretty for the city baby  
Too pretty, too pretty, too pretty

### Verse

I'm gonna take off all your clothes  
With the both of my eyes and imagine  
What it's like in the back of your ride  
Cause when I wake up in the morning  
In the back of your car  
I got your hands tied tight so you can't get far

### Pre Chorus

You got a reason  
To feel like a super tramp (Super tramp)  
Giving the feeling  
Your walking like you're world wide

### Chorus

You're looking too pretty for the city baby  
Too pretty, too pretty, too pretty maybe  
You're looking too pretty for the city baby  
Too pretty, too pretty, too pretty maybe

Super tramp, you're just a supertramp

### Pre Chorus

You got a reason  
To feel like a super tramp (Super tramp)  
Giving the feeling

Your walking like you're world wide (worldwide)  
You got a reason (You got a reason)  
To feel like a super tramp (Super tramp)  
Giving the feeling  
Your walking like you're world wide

Chorus

You're looking too pretty for the city baby  
Too pretty, too pretty, you're too pretty maybe  
You're looking too pretty for the city baby  
Too pretty, too pretty, you're too pretty baby
