We are not walking we are marching
(Lead on, lead on)
We are not walking we are marching
(Lead on)
And the Cosmos will explode
To the sound of our voices
Voices

Chorus
Gravity sets us free
We are all now refugees

Verse
We are not screaming we are preaching
(Lead on, lead on)
We are not sleeping we are dreaming

And the cosmos will explode
To the sound of our voices

Gravity will set us free
We are all now refugees

Bridge
Take off rocket ship come and take a ride
Swim in the ocean rise up with the tide

The oceans, the oceans will rise
These oceans, these oceans will rise
These oceans, these oceans will rise

Chorus

Gravity sets us free
We are all now refugees
