I'm wide awake it's Saturday
I haven't slept in feels like days
I need something to keep me up tonight

I'm driving fast around the bend
I wont look back I wont pretend
To live like this anymore

Were gonna riot in this town (Riot, Riot)
I'm feeling paranoid I'm so destroyed
I'm slipping

Rioting this town
I'm feeling so annoyed I'm paranoid
I'm slipping

I'm wide awake another day
I need something to kill the pain
Shut the sun off drink until I'm saved
These cigarettes they taste the same
And I need someone, someone to blame
I close my eyes so I can see again

Were gonna riot in this town (Riot, Riot)
I'm feeling paranoid I'm so destroyed
I'm slipping

Rioting this town
I'm feeling so annoyed I'm so destroyed
I'm slipping

Were gonna riot in this town
I'm feeling paranoid I'm so destroyed
I'm slipping

Rioting this town
I'm feeling so annoyed I'm paranoid
I'm slipping

I'm wide awake it's Saturday
I'm wide awake it's Saturday
I'm wide awake it's Saturday
