You ain't nothing but my exgirl, I'm on to the next girl.
We sippin forty ounces passing out on couches, forget
that last chick she wasn't about it.
You ain't nothing but my exgirl, I'm on to the next girl.
And it's gonna be a minute before I get back in it, cuz
I'm not tied down, bump that electric drip sound.

Electric drip comin straight to the microphone
This last trick made me pop a couple codones
This girl was crazy, keep callin me baby
I had to cut ties no pussies gonna chain me

Can't chain me down
Can't change me now
Whoo
Can't chain me down
Can't change me now
Whoo

You ain't nothing but my exgirl, I'm on to the next girl.
We sippin forty ounces passing out on couches, forget
that last chick she wasn't about it.
You ain't nothing but my exgirl, I'm on to the next girl.
And it's gonna be a minute before I get back in it, cuz
I'm not tied down, bump that electric drip sound.

This is the anthem for all the fellas who got a crazy
exgirl friend
Put your hands, put your hands up

Can't chain me down
Can't change me now
Whoo
Can't chain me down
Can't change me now
Whoo

You ain't nothing but my exgirl, I'm on to the next girl.
We sippin forty ounces passing out on couches, forget
that last chick she wasn't about it.
You ain't nothing but my exgirl, I'm on to the next girl.
And it's gonna be a minute before I get back in it, cuz

I'm not tied down, bump that electric drip sound.

Can't chain, can't chain me down
Wont change, can't change me now

Can't change, now
Can't change me now
