Buried Deep Beneath Spoiled Ground  
My Body Craves Formaldehyde Withdrawls  
Lying Within dampened Rot  
Memories Return And Fade  
Casket Sealed Shut  
Still I Remain  
Alive Undead  
Decrepit Breath  
Rotting Limbs  
I Am An Abortion  
From The Crypt  
Dissection Stiches  
Along My Chest  
Strain To Keep My Organs Inside  
A Lair Of Maggots  
Imbedded In My Brain  
I Hear Their Thoughts  
As They Guide My Way  
Inhuman Craving  
For Salted Flesh  
A Funeral Birth  
I Shall Never Rest  
Down Below The Cold Earth  
Decrepit Breath  
Rotting Limbs  
I Am An Abortion  
From The Crypt  
Dissection Stiches  
Along My Chest
