Fear is never gone from your soul
That saw humiliation.
Being prey to the blackest of demons,
Paralyzed you fail.

Fallen beneath
The mark of dignity,
You fail.

(A) demon passed on from one
To the next infiltrates
A mind innocent and pure;
Planting the seed to possess
Another soul that is doomed to fail.

Only Ash Remains

To the next infiltrates
A mind innocent and pure;
Being prey to the blackest
Of demons, paralyzed they fail.

Fallen beneath
The mark of dignity,
They fail.
