Unable to move from a point of view,  
Driven by reasons as old as time itself.

Symbiotic In Theory

In order for a life to be  
Commanded it must be owned.

Symbiotic In Theory

Gravity forces water  
To flow downhill,  
A will is not given.

Inferior or superior,  
Will is that which decides.

Gravity forces water  
To flow downhill,  
A will is not given.

To give and take, to be...
