

Necrophagia

"The Sick Room"

Visit "[The Sick Room](#)" on MotoLyrics.com

Enter the room
Without a view
Hacked up
Then consumed
Fresh defiled
Inflicting wounds
Snuff perversions
Limbs removed

Sick room
Sick room
Sick room
Sick
Sick room
Sick room
Sick room

Choose your victim
Ready to main
Deviant masturbation
Next level to pain
Kill for pleasure
Human insects
Masochistic voyuer
Addicted to death

Sick room
Sick room
Sick room
Sick
Sick room
Sick room
Sick room
