Believe Me
When I say
That you're the only reason
That I came

Believe me
I scream
When I arrive
Onto the scene
Believe me
When I throw away
A crumpled up paper
With your own name

Believe me, Believe me

Believe me
When I see rain
I go
Completely insane

Believe me
When I back away
It's only 'cause
I've got nothing to say
Believe me
It's not you
It's only the things
I cannot do

Believe me, Believe me

Why can't I say
What everybody knows anyway
Why can't I say
What everybody knows anyway

It's too much
It's too hard
It's too tough
It's too rough

Believe me
When I say
You're the only reason
That I came
Believe me
When I think of you
I think that you might
Love me too

Believe me, Believe me
