(Chorus)

This Girl

She wants to play

She wants to play

Her Guitar

Her guitar

And this girl

She doesn't want

She doesn't want

To wait

To wait

(Verse 1)

So throw

Away

Those books

And throw away

Those looks

(Chorus)

'Cause this girl

She wants to play

She wants to play

Her guitar

Her guitar

And this girl

She doesn't want

She doesn't want

To wait

To wait

(Verse 2)

So pick

Up

Those picks

And pick

Up

Those licks

(Chorus)

'Cause this girl

She wants to play  
She wants to play  
Her guitar  
Her guitar

And this girl  
She doesn't want  
She doesn't want  
To wait  
To wait

(Bridge)  
And she's not that great  
But just wait  
And she's not that good  
But she could be

(Ending)  
This girl  
She wants to play  
She wants to play  
Her guitar
