Take my cigaretts trash my guitar
I'll do anything just to know where you are
I'll write your name across the whole Chines wall
Please pick up the phone, answer my call

I know last night didn't turn out so great
I feel like Nixon right after Watergate
And I'm so sorry but I'll make it up to you
Oh, that's the reason why

I fly around the world
To bring my baby back
I give my word
It's just a simple fact
All around the world
And I won't stop
No matter where she's at
I'll bring my baby back
Oh, I'll bring my baby back

I'd cross the ocean in a boat full of holes
To find you baby, I'd walk on burning coals
Give me a sign, tell me where to run
So I won't be like Icaros and fly into the sun

I fly around the world
To bring my baby back
I give my word
It's just a simple fact
All around the world
And I won't stop
No matter where she's at
I'll bring my baby back
Oh, I'll bring my baby back

Yeah, every little thing is going out of control
I gotta find a way to fill the hole in my soul
Yeah and everybody says a broken heart heals with
time
I'm running out of tears to cry
That's the reason why

I fly around the world
Fly around the world
To bring my baby back
I give my word
Oh, it's just a simple fact
All around the world
And I won't stop
No matter where she's at
I'll bring my baby back
Oh, I'll bring my baby back

(Bring my baby back
Bring my baby back
Bring my baby back
Bring my baby back)

Bring my baby back

(Bring my baby back
Bring my baby back)

No matter where she's at
To bring my baby back

(Bring my baby back
Bring my baby back)

Bring my baby back

(Bring my baby back
Bring my baby back)

It's just a simple fact

(Bring my baby back
Bring my baby back)

Bring my baby back
