Erik:
Hello Goodbye
You were perfect
but now
That the sun's coming
out we're thru
Your body and mine
Empty bottles of wine
And the memory
That's chasing clues
Let's not make things
Complicated
We're better off separated
Cuz.

BÅda:
Now we're sober
It's all over
Don't push your luck
And ask if you could stay
There's nothing more I need
Just go away

Erik:
Just go away.

Tone:
Hello Goodbye
You were perfect last night
But this bed isn't
Made for two
You said
Please stay the night
I could be Mr Right
For a second
That line felt true
Let's not make things
Complicated
We're better off separated
Cuz.

BÃ¸da:
Now we're sober
It's all over

Tone:
And nothing that
You say will sound OK
I'll pack my things there
Ain't no other way

BÃ¸da:
Now we're sober
Don't come closer

Tone:
Don't push your luck
And ask if I could stay
There's nothing more
I need I'll go away.

BÃ¸da:
We could do
this all again
We should
enjoy it while we can
Call me
whenever you feel alone
And I will take you home

Tone:
But then you're on your own
Cuz.

Erik:
Hello Goodbye
You were perfect
But now
That the sun's coming out
We're thru.

BÃ¸da:
Now we're sober
It's all over
Cuz every now and then
I need to play
With you the game gets
Better every day
Now we're sober
Don't come closer
There's nothing that we
say will sound OK

Hello Goodbye
We'll go our
separates ways
Our separates ways.
