I put my faith in tomorrow
And try to sleep for a while
Maybe a new day will follow
That'll make it alright

Now when I feel so down and out
Somehow you're still by my side

And I hope
Life is good
Wherever you are
You will be
Forever
In my heart

Where you couldn't hold on
I will try to be strong
I just hope you belong
Oh, wherever you are

If I had told you the right things
Would it matter at all?

If I only knew you were standing
On the edge waiting to fall

Oh I would give just anything
To see your face to here your voice
Just one more time, oh...

And I hope
Life is good
Wherever you are
You will be
Forever
In my heart

Where you couldn't hold on
I will try to be strong
I just hope you belong
Oh, wherever you are
Wherever you are

Oh, where you couldn't hold on
I will try to be strong
I just hope you belong
Oh, wherever you are

Wherever you are...
