Here I am
Nobody's man
Nobody's hero
I'm confused
Sick and diffused
And everything's fine

What about your life
Is alright now
I walk around
I turn around
But nothing look right
Through my eyes
My eyes
My eyes

Chorus
Some days
I am beautiful
Oh so beautiful
To me
Some days
I am pitiful
Oh so pitiful
To me
I feel angry
I feel silence
I feel so far away
I feel beautiful
Just not today

It's all smoke
My life's a joke
For no rhyme
Or reason
No one knows
How deep it goes
And everything's
Fine

What about your life
How should I know

Your sorry but
You'll never find
The pain that I carry
Inside (Inside)
Inside

Chorus

Someday I'll be
Beautiful
Is this real
'Cause I don't feel
Beautiful
I feel angry
I feel silence
I feel so far away
I am crazy
I'm amazing
I have nothing to say
I'm pathetic
I'm a giant
I'm a moment away
I'll be beautiful
Someday
