Man it's a hot one
Like seven inches from the midday sun
Well I hear you whisper and the words melt everyone
But you stay so cool
My mu equita
My spanish harlem mona lisa
Your my reason for reason
The step in my groove

And if you say this life aint good enough
I would give my world to lift you up
I could change my life to better suit your mood
Cause you're so smooth

Chorus

And it's just like the ocean under the moon
And it's the same as the emotion that I get from you
You got the kind of lovin that can be so smooth, yeah!
Gimme your heart
Make it real
Or else forget about it

I'll tell you one thing
If you would leave it'd be a crying shame
In every breath and every word I hear your name
calling me out
Out from the barrio you hear my rhythm on the radio
You feel the turning of the world so soft and slow
Turning you round and round

And if you say this life ain't good enough
I would give my world to lift you up
I could change my life to better suit your mood
Cause you're so smooth

[Chorus 2x]

And it's just like the ocean under the moon
And it's the same as the emotion that I get from you
You got the kind of lovin that can be so smooth, yeah!
Gimme your heart
Make it real

Or else forget about it

[Or else forget about it] 3x

Gimme your heart

Make it real

Or else forget about it
