

Escape From Earth "Without"

Visit "[Without](#)" on MotoLyrics.com

Do I dare
(Do I dare)
Disturb the air
That you left standing in
It's just a matter of time
(It's just a matter of time)

Do I see
(Do I see)
Incompletely
Is this really just a dream?
It couldn't happen to me
(It couldn't happen to me)

Chorus
I thought that we'd be together
Fly with the stars forever
From the top of the world
Without a care
Even though you denied me
I carry your heart inside me
From the top of the world
Without a care

Do I fear
(Do I fear)
Another year
As I wonder where you are?
Can't get you out of my mind
(Can't get you out of my mind)

Do I wait
(Do I wait)
It's much too late
It was over long ago
I guess it wasn't enough
(I guess it's never enough)

Chorus

Though you're leaving me now
I'll see you again

Have to move on somehow
I'll miss you my friend.
I'll be there
(I'll be there)
Unaware.
I don't care

Chorus

I'll be there (I'll be there)
From the top of the world (No where)
Without a care (I don't care)
Without a (I'll be there)
Without a (I'll be there)
Unaware (From the top)
I don't care (Of the world)
Without a (I'll be there)
Without a (I'll be there)
Unaware (From the top)
I don't care (Of the world)
