And I tell you I'm sorry girl  
It was nothing personal  
Is anyone up?  
Is anyone up?  
Your pussy  
Your boobies

And I tell you I'm sorry girl  
It was nothing personal  
Is anyone up?  
Is anyone up?  
Your pussy  
Your boobies  
On the world wide web

Girl it's nothing personal  
I'm sorry for this  
But I think you f\*ck anal so well  
That everybody should know

Your pussy deserves much more attention  
Than I could give to you

You said that I'd be the only one  
You are nothing more than a folder on my harddisk  
And you are nothing more than the guys I've met  
before  
F\*ck you little whore I've got your cunt in HD

And I tell you I'm sorry girl  
It was nothing personal  
Is anyone up?  
Is anyone up?  
Your pussy  
Your boobies  
On the world wide web  
[x2]

Oh lord, shame on me!  
Gargoyles everywhere  
I've lost my ability

To infatuate hot chicks

You never will expose a girl again  
Your daddy will be proud of his stupid little girl  
Shut the f\*ck up  
Tonight I'm on a photo date  
With the highschool-sexgrenade

And I tell you I'm sorry girl  
It was nothing personal  
Is anyone up?  
Is anyone up?  
Your pussy  
Your boobies  
On the world wide web  
[x2]

I've seen a lot of boobies  
I've seen a lot of cunts  
As long as there are hot chicks  
There'll be always men that hunt

#NBHNC (what?)  
Means a lot to me (aha!)  
We cannot stop to stare  
So put your ass up in the air (oh, f\*ck me!)
