If I was to tell you just how much I need you, would you
come tonight

Or would you not believe me cause a love that easy
never turns out right

I'm trying to change the rules you deserve something
good in your life

We've waited for far too long so come get your
blessing tonight baby

[Chorus:]

Won't you come over love, So I can show you love

Promise I got enough to give you all that you need baby

So many search to find, A love that is as good as wine

I will not waste your time so bring it all to me baby

Baby let me teach you, give you love instruction, show
you what I know

Need to take it easy, no need rush it, baby go nice and
slow

All this love I can go to you, I expect just a bit in return

You don't have to be perfect as long as you're willing to
learn baby

[Chorus:]

Won't you come over love, sure I can show you love

Promise I got enough to give you all that you need baby

So many search to find a love that is good as mine

I will not waste your time so bring it all to me baby

Turn out the lights, give you all my love tonight

Let's do what lover do, I'm ready, I'm ready

I don't want to waste your time

So don't make me beg tonight

Don't keep me waiting for love

Won't you come over tonight
