I feel great in this hate...

Verse:

I feel great in this hate,  
In a world where the dreams were made,  
Iâ€™m so confused, jeah Iâ€™m so frustrade,  
I came down but I need this shit,  
Motherfucker I need it,  
It's a new way of suicide kids  
And I feel great in this hate,  
In a world where the dreams were made,  
In a world where the dreams were made!

Refrain:

Do you feel that hate in me?  
I don't know what I should do,  
The system need to... TO!

Verse:

I feel great in this hate,  
In a world where the dreams were made,  
I throw my money in your fucking face,  
Motherfuckers I don't need this shit,  
Motherfuckers I don't need it,  
It's a new way of sacrifice, kids!  
And I feel great in this hate,  
In a world where the dreams were made,  
In a world which no one can remake!

Refrain:

Do you feel that hate in me?  
I don't know what I should do,  
The system need to... TO!

Brigde:

You're a mess like, I don't like,  
My life, your life, money gets all! x4
