Yes I can feel this
Burning inside
Burning within me
And the flames consume my life
Yes I can feel this
Burning inside
Burning forever

Underneath my fucking skin
It screams and pulls me under
It's my anxiety
Inside of me it burns
What is this?
I reach in
And try to rip this parasite out

Everyday
Of my life
It sleeps
Waiting to destroy
Everything...

Inside of me...
It burns...

Inside of me...
It burns...

Sometimes
I feel as I am giving up
(Sometimes I feel...)
And sometimes
I feel that I've
Nothing left
(There's nothing left...)

If I could run far away
And forget everything
The day has brought me
Sometimes I feel
Like I can't breathe
(I can't breathe...)

I must
Learn to live with
The demons inside
It will
Never leave me
It's here
Until the day I die

Everyday
Of my life
Everything
That I love
Is consumed...

Inside of me...
It burns...

Everyday of my life...
Everything that I love dies!

Sometimes
I feel as I am giving up
(Sometimes I feel...)
And sometimes
I feel that I've
(Nothing left...)
There's nothing left

If I could run far away
And forget everything
The day has brought me
Sometimes I feel
Like I can't breathe
(I can't breathe...)
