It's funny how I watch the day go by  
I'm sitting watching TV  
Talk shows high  
There's banging on the walls  
My head aches  
I'm drinking out the world  
That I hate

I had a big car, new clothes everything  
I've had a watch engraved in Switzerland  
Today I saw her buying a magazine  
It's time to get myself some therapy

How do I stop this, how do I stop this  
How do I stop this disease?

[CHORUS:]

She's got a new dress on (I'm in cement)  
Sits by her radio (I'm in cement)  
She's got those x-ray eyes (I'm in cement)  
Don't know which way to go

It's funny but I dream for yesterday  
I'm blistered by the burns that life has made  
I'm staring out behind the window shade  
I see her face across the street again

I'm in quicksand sinking in again  
I've got concrete shoes and I can't swim

How do I stop this, how do I stop this  
How do I stop this disease?

[CHORUS]

I don't know what to do  
But I know that I must pull through  
I can't keep watching you

How do I stop this, how do I stop this  
How do I stop this disease?

[CHORUS]
