You are my thrill
You are my pill
When I close my eyes
I begin to glide
Twist like an eel
Wrapped around your heel
But you can't see it
You've got to believe it
You've got to

Help, help me see
You're my release
I wanna know
I wanna know
Help me to feel the same

Take a look at me
Tell me what you see
When I close my eyes
I begin to fly
I being to

Help, help me see
You're my release
I wanna know
I wanna know
Help, help me see
You're my disease
I wanna know
I wanna know
Help me to feel the same
Help me I've gone insane
