I wanna watch you grow
I love to see you glow
I wanna see the sun shine out
And heal the aching bones
I wanna set you free
Find sweet harmony
Cause I can see a rainbow now
Smiling through the trees

Glow, glow, forever glow
Glow, glow, forever glow

I wanna let you know
Let the river flow
Find that place to be
Set your spirit free
Lighten up the shade
Bring color to the day
A perfect kind of you
A perfect kind of me

Glow, glow, forever glow
Glow, glow, forever glow
Glow
