Guess I'm stuck in a dream  
Surrounded by coloured leaves on the ground  
As I stare at the trees  
I see one fall down on my hand  
As I start to explore  
I can't ignore a man  
He turns his head around  
His face was all worn by the sun

CHORUS:

I'm going out for a while  
So I can get high with my friends  
I will  
I'm going out for a while  
Don't wait up cos I won't be home  
Today

Drifting down a road  
Losing myself in a dream  
Feel my hands getting cold  
Sat in a boat on a lake

CHORUS

Climbing up trying my best  
As I sink  
Climbing up trying my best  
As I sink again

Lying back on the floor  
Reaching up high into space  
See myself in a glass  
I'm counting the lines on my face  
Again  
Counting the lines on my face  
Again

CHORUS 2X

Today, today, today, today, etc. (to end)
