Kill, kill or be killed for
Expected life to be so safe
Caught, caught in a mantrap
Another part of me has changed
Maybe I could swim
Can't help myself
It's funny but it seems
I lose myself
I'm lost inside a dream
I hate myself
The more that I believe
Can't find my way
Fill, filled with emotion
Sailing off the edge again
Drown, drown all devotion
Riding on a drift to hell
Maybe I could swim
Can't help myself
It's funny but it seems
I lose myself
I'm lost inside a dream
I hate myself
The more that I believe
Can't find my way
Can't find my way.
