And all I ask of myself  
Is that I hold together

Half as drunk is twice as clever  
Appalled when tarred and feathered  
Remarks upon the weather  
Will just retard endeavor

This piece of meat is pumping  
Poison 'round itself, so neatly  
About it, pound for pound  
It feeds away and most discreetly

And all I ask of myself  
Is that I hold together  
And all I ask of myself  
Is that I hold together

Get me divine ascension  
Supply my worst intention  
To thrash it out in heaven  
Our Lord, too thick to mention

This piece of mind is keeping  
To itself, if only sleeping  
Regard it, freeze it, jar it  
Assign it all to healing

And all I ask of myself  
Is that I hold together  
And all I ask of myself  
Is that I hold together

And all I ask of myself  
Is that I hold together  
And all I ask of myself  
Is that I hold together

And all I ask of myself  
Is that I hold together  
And all I ask of myself  
Is that I hold together

And all I ask of myself  
Is that I hold together  
And all I ask of myself  
Is that I hold together

That I hold together  
That I hold together  
And all I ask of myself  
Is that I hold together
