I didn't call this far  
I've been so careful  
I've swallowed air  
Now i've had my bellyful  
So now i want to get something for me  
Now i want to get something for me  
I've swallowed air  
I've had my bellyful  
I don't want to lose it when we have no cause  
I don't want to lose it but the choice is yours  
You don't compare to anything i have  
I want to stare  
I don't want a photograph  
It's about time you did something for me  
It's about time you did something for me  
I want to stare  
I don't want a photograph  
I don't want to lose it when we have no cause  
I don't want to lose it but the choice is yours  
What is it now?  
You call me unsung  
I've fallen foul  
Of somebody's hot tongue  
The man inside can never be seen  
God help me if i ever come clean  
I've fallen foul  
Of somebody's hot tongue
