All these mistakes
you save I've made,
got me more laugh-lines
than things that felt right,
how can you describe?
how can you decide?
Don't try to talk me down from here.
don't try to talk me down from here
don't try to talk me out of her.
don't try to talk me down from here.
I rest my case,
how your deceit lays
your cards on the table-
your eyes on the ceiling
how can you advise?
how can you decide?
Don't try to talk me down from here
don't try to talk me down from here
don't try to talk me out of her
don't try to talk me down from here.
(repeat x2)
