Intro:
(242)
(Summer night...)

Chorus:

Summer nights feel special to me
You can go to where ever you wanna be
Stay up late
Find your way
T-shirt
Short skirts
You do oo anything

Summer nights
They are too short but sweet
They have so many memories
That will
Lalala last forvever
Unforgettable
Unforgettable

Verse One:
Man it's funny have life always plays out
How in summer breezes the city lights always scream
and shout
Then you come about
They gleam in your eyes
And suddenly the peas aren't the only ones having a
good night
So listen baby
We can forget about that katy lady
Be hot, not cold
Cause justin bieber's getting old
And I'll tell you more than one time
Cause it's a summer night and 242's you partner in
crime
(Ayeeee)

Chorus:

Summer nights feel special to me

You can go to where ever you wanna be
Stay up late
Find your way
T-shirt
Short skirts
You do oo anything

Summer nights
They are too short but sweet
They have so many memories
That will
Lalala last forever
Unforgettable
Unforgettable

Verse Two:

Things get easier as the sky turns black
Just close your eyes and never look back
Cause what's forward is the future
What's gone is the past
I'm reaching for your hand but it's hard to grasp

You're one in a million
But I'll take my chance
People think it's gaga
But I call it romance

Close your eyes
Cause nothing last forever
So when the night dies
We no our hearts won't severe

Chorus:

Summer nights feel special to me
You can go to where ever you wanna be
Stay up late
Find your way
T-shirt
Short skirts
You do oo anything

Summer nights
They are too short but sweet
They have so many memories
That will
Lalala last forever
Unforgettable
