Hold the phone,  
But don't hold your breath,  
This is not a test,  
It's not a question,  
Of what I feel for you...

Oh, and I'm sorry too,  
Did we go too far,  
Too far to return,  
To the way things were...

But remember  
Those nights that I spent in your arms,  
Feelings so wonderful,  
I wonder where they've gone.

But i can't find the reason why,  
Why i've run away from you,  
Why i've run away

So tonight,  
When I look you straight in the eyes,  
And conversation runs dry,  
And I say nothing,  
Nothing...

But remember  
Those nights that i spent in your arms,  
Feelings so wonderful,  
I wonder where they've gone

But i can't find the reason why,  
Why i've run away from you,  
Why i've run away

But I know,  
You would never hurt me,  
The way I hurt you...

But i know,  
You would never hurt me,

The way i hurt you...

But i can't find the reason why,  
Why i've run away from you,  
Run away from you
