[Hook]

I donâ€™t give a f-ck about chu anymore (anymore)
I donâ€™t give a f-ck about chu anymore, girl
(anymore)

[Verse 1]

Told you it was gonâ€™ cost you (told you)
I misplace things, Iâ€™m sorry if I lost you
Yeah right, I f-ck your best friend purposely
My hearts teflon how dare you try hurtâ€™n me
I f-ck shorty you hate, I told her work with me
And she do it better than you bitch
Thatâ€™s word to me
We send the vids to your Facebook
I wish I would of seen how your face looked
While Iâ€™m violating, your a pretender
You caught amnesia, you donâ€™t remember
Well I got the memory of an elephant
I would say the nigga name, but he ainâ€™t relevant.

[Hook]

[Verse 2]

Your sister told me you was crying
And was feeling like you were dying
I told if I said â€œI give a f-ckâ€™
Iâ€™d be lying
Cupid sent a slug through my shirt
Told me if you cross me, my love would reverse
Stupid bitch, damn you
Iâ€™m glad your heart is cripple
I canâ€™t stand you
I was the man who planned to cuff it up
But you had dicks on the ceiling, you fucked it up
Lying ass hoe
I bounce right up, now Iâ€™m flying thatâ€™s low
Told you I got the memory of an elephant
I would say the nigga name, but he ainâ€™t relevant

[Hook]

[Bridge]

Imma Imma Imma real nigga
I deserve better
So f-ck you
Imma Imma Imma real nigga
I deserve better
So f-ck you
I hate chu
I donâ€™ t give a f-ck about chu anymore (anymore)
I donâ€™ t give a f-ck about chu anymore girl
(anymore)
oh yeah
