They call me Frederico Capi, flowin is my hobby
Still move low, they think I'm still up in the lobby

I'm in the Bronx like Robinson canoe
Kill you spurr in a moment, they were robinson canoe
And they know I get benjamins more
Candy paint by Benjamin Moore
Now my sugar high flow I went out
We can bring them lamas ball
I do is draw guns, we call that art of war
Now homie, what you doing?
Gas spit tall as patrick, look what you in
I'm used to this thing, and I get busy for real
It's a beautiful thing, Fred!

(Hook x2)

The most beautifullest, the most beautifullest

When you rappin hip hop to the fullest
And your lyrics is a weapon
And they love it when you pull it, Fred

(Verse)

Welcome to my bar, God spittin the word
Rookie of the year, Robert Griffin the 3rd
Once you say action, I'm in the play action
Or I could throw you these bullets and we can stay

Calling me TI, we on a mac tiny captain
You don't mind me aksing
Who do you listen the most to?
Are you a fan or is it someone that you close to?
But whatever, I'ma score what he'll forfeit
Sauna make a moron I'm insulted
Metaphors awkward, flowing sink, I never floss it
Get it, flowing sink, I never forfeit
Nobody rap hard as me
You ain't gotta know about cars to acknowledge me
I'm used to this things,
See I get busy for real
It's a beautiful thing, Fred!

And your lyrics is a weapon
And they love it when you pull it, Fred

Hip hop to the fullest,
Hip hop to the fullest,
