What has life to offer me when I grow old?  
What's there to look forward to beyond the biting cold  
They say it's difficult, yes, stereotypical.

What's there beyond sleep, eat, work in this cruel life  
Ain't there nothin' else 'round here but human strife  
'Cause they say it's difficult, yes, stereotypical  
Gotta be conventional, you can't be so radical.

Chorus:

So I sing this song to all of my age  
For these are the questions we've got to face  
For in this cycle that we call life  
We are the ones who are next in line  
We are next in line.

What has life to offer me when I grow old?  
What's there to look forward to beyond the biting cold  
'Cause they say it's difficult, yes, stereotypical  
Gotta be conventional, you can't be so radical.

So I sing this song to all of my age  
For these are the questions we've got to face  
For in this cycle that we call life  
We are the ones who are next in line  
We are next in line  
Oh-hoh, we are next in line.

Bridge:

And we gotta work, we gotta feel (we gotta feel)  
Let's open our eyes and do whatever it takes  
We gotta work, we gotta feel (we gotta feel)

Let's open our eyes, oh-woh

And sing this song to all of our age  
For these are the questions we've got to face  
For in this cycle that we call life  
We are the ones who are next in line

Sing this song for me

Sing this song for me
